

ENOGASTRO

DESCRIPTION

E-bike guided tours to analyse and taste some exclusive and local products: wines, beers, juices, cheese, cold cuts, fruits and a lot more.

All the routes include some stops in selected farms, the passage in some vineyards to discover the 'heroic' viticulture, as well as some moments to know a little more about local AC, PDO, IGP and PAT products.

The itineraries can cover tomached roads, dirty roads or paths in the woods and be of various difficulty levels according to the chosen towns and the abilities of the participants.

REQUIRED ABILITIES

Autonomous management of the bike: basic balance, a minimum of resistance on the bike, ability to ride on paths and dirty roads.
