

MOUNTAIN PHYTOCOSMETICS

DESCRIPTION

Activity whose aim is to make people discover the **officinal plants** of the garden that lies in the **historical centre of Aosta**, in a wonderful setting surrounded by Roman walls and high peaks.

The activity is organised also to make people aware of the **properties of officinal plants**: the participants will recognize them thanks to the colours and the scents, but also by using the **five senses**.

REQUIRED ABILITIES

None

LENGTH OF THE ACTIVITY

From 45 minutes to 1h30

KIND OF OFFER

50 people maximum in the garden
