

# NORTH, SOUTH, EAST, WEST

## DESCRIPTION

Working together in an extraordinary natural environment: **orienteering** can be the right activity to **develop the harmony** which can help people facing problems during their job.

The complete program, which has been conceived on two days, proposes a stay in a hotel at **1,700 m of height** in the area of Saint-Pierre. After dinner, a **night excursion** will be proposed by the guide to discover constellations, some reference points to get oriented and some myths linked to the stars.

Mountain clothes are highly recommended.
